To Whom It May Concern:

We write in support of our student's request to come to the United States to pursue a course of study at Dartmouth College.

Guided by state and local public health considerations, Dartmouth plans to offer an in-person course of study for undergraduate and graduate students during the Fall term 2021.

Information regarding Dartmouth's reopening plans can be found at:

Thank you for your kind attention and consideration.

Respectfully,

Susan C. Ellison
